LANIER SENIOR HIGH SCHOOL FOR BOYS

A. J. SWANN, PRINCIPAL

MACON, GA.

To All Seniors,

As the years pass swiftly by, many boys enter Lanier to gain their high school education. There is no yardstick that we might use to measure what each boy has achieved, but we do hope that your lives have been enriched by the school's program and by contact with your instructors and fellow students.

It is impossible for you to put in printed form all the physical events and happenings during the past year. This volume is a sincere effort on your part to record the most outstanding events, which in years to come you will recall with the greatest pleasure.

May I congratulate each of you on your past achievements and wish you the best of success in all your future endeavors.

Sincerely,

A. J. Swann

HELEN FAULKNER
Runner-Up

JANE ATKINSON
Best Citizen

JOYCE SANDERS
Runner-Up

These three seniors—Helen, Jane and Joyce—received the largest number of votes from a vote of the Senior Class and were named the best citizens. Then the faculty, polled individually by Mr. Lasseter, selected one name from the three—and from the count of votes, Jane received the most votes and was selected as the Best Citizen. Her name was reported to the Nathaniel Macon Chapter of the Daughters of the American Revolution—and she was given a certificate and medal. The winner filled out a questionaire which was sent to the State Organization of the D.A.R. From the names submitted by the various chapters, one winner—selected from Georgia—is to be given a trip to Washington, D. C.

First row: Jesse Richardson, Felts Dent, Mitchel House, Gene Hamilton, David Mosely.
Second row: Charles Hamilton, Inman Carmichael, Clyde Van Landingham, Albert Harris, Gilliam Clark, Elbert Wilcher.

These eleven Lanier Seniors were selected by the faculty as the Best Citizens of the Class of 1952. This signal honor was conferred upon them because they exemplify, to the highest degree, the qualities of honesty, courtesy, dependability and cooperativeness.

Macon students are off—to Wisconsin

Fifteen Miller girls and fifteen Lanier boys left for Manitowoc, Wisconsin, February 15, for two weeks. On March 15, thirty students from Lincoln High School in Manitowoc came to Macon for two weeks.

The Macon students were guests in the homes of the Manitowoc students. They attended classes with them at Lincoln High School, and were entertained extensively during their visit, with activities typical of the North. When the Wisconsin students were guests of the sutdents in Macon, they attended classes and were entertained in typical Southern fashion, formally and informally.

Dr. Mark Smith, Superintendent of Bibb County schools, and Angus B. Rothwell, Superintendent of Manitowoc Schools worked out final plans after both school boards approved the proposal. The purpose of the exchange was to help students understand each other, and to enable them to know different sections of the country better.

Selected to go were, first row: Loulie Burns, Lorna Steele, Emily Mason, June Faulk, Janice Wright. Second row: Sally Willingham, Anne Griffin, Alene Carrowan, Joan Banks. Third row: Lila Burney, Annette Duggan, Harriet Fincher, Virginia, Fickling, and Mary Harrell. B. Hall Brown and Miss Emily Orr are not in the picture.

Third row: John Dalton, Robert Schwartz, Roberts Meyers, Thomas Jones, Bruce Shaw. Fourth row: Lee Geraldson, James Boyd, George Vits, Elmer Ansorge, Thomas Larson, John Gregory.

Off to Wisconsin

Selection of the students to make the trip was based on their scholarship, personality ratings and participation in school activities. Each student had to be able to miss two weeks of school and to pay his expenses. Selection was made from a list of students who had signed up for the trip.

First row: Mrs. Isabel Kinnett, Jimmy Jordan, Jap Cowart, Bobby Thompson, Arthur Rich, Lewis Irby. Second row: Clyde VanLandingham, Jack Bivins, Albert Harris, Howard Rogers, Joe Caskin. Third row: Jay Dennis, Alfred Perkins, Bill Broach, Bert McCowen, Earl McKinley.

Audrey Smith, fairy queen of the Exhibition, and her fairy dancers make a colorful picture as they watch the mass drills.

Twelve girls, with sporting equipment from the Gym, portray the many varied activities of the Physical Education department.

Putting aside their equipment, the girls wish Happy New Year to the student body as everyone waits anxiously to hear the announcements of the Exhibition Officers.

The Miller Senior High Crack Squad, in their attractive Red Riding Hood costumes, perform under the command of Captain Mary Kendricks.

The cute little girls from Junior High form a wagon wheel formation as a presentation of their Crack Squad.

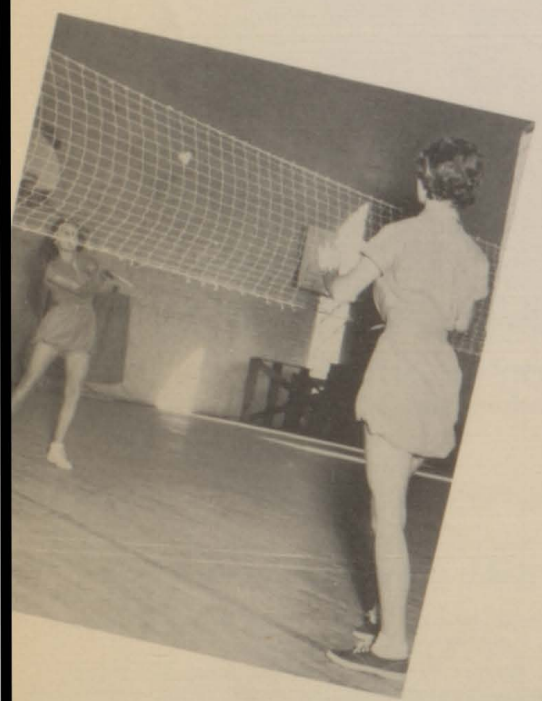
The Miller Athletic Association is composed of girls who, through their participation in tournaments, have earned the points required to become members of the association. The purpose of the organization is to promote school spirit, and to encourage clean sportsmanship and participation in intramural sports throughout the school year.



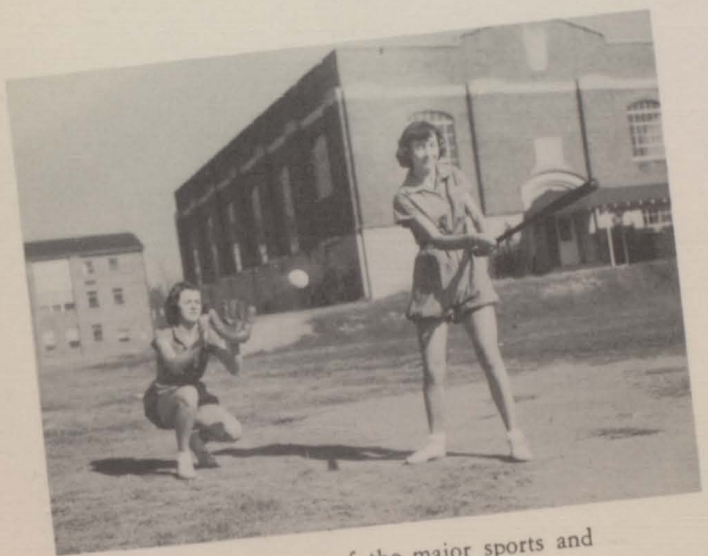
One of the most popular minor sports in the Physical Education Department is badminton. The photographer caught Joanne Kelpsig as she returns Nancy Hill's serve.

Shuffleboard is a favorite game with all Miller girls—Betty Jane Sams and Marlene Sapp are preparing to make the first shot in a game.

"Right hands across!"—and, at that call, these girls did just that! The girls love square dances!

athletics

Basketball is, by far, the favorite and the most popular major sport in the department.



Softball is one of the major sports and one taught every year in the spring.

Table tennis is another game popular with the girls. Interest in the game and in the tournaments is keener for this sport than for any other at the school.

Speed pin ball, taught as a lead-up game to basketball, is truly a favorite winter activity.
